ACTIVITY: RESILIENCE

Resilience Focus Area: Emotions & Behaviours

Learning Outcomes

- Understand what 'resilience' is and ways to develop it
- Have some 'top tips' of how young people can improve their resilience

Time	Activity	Method	Resources
5 mins	SIGN IN, WELCOME, INTRODUCTIONS & CHECK IN	Ask young people to complete Sign In sheet. When the group are settled ask them to introduce themselves and tell us something about themselves. Go through the learning expectations of the session.	PowerPoint PowerPoint Microsoft verPoint Presentat
		Explain how we always use a check in at the start of each workshop and how it works. Ask the group to say how they are feeling from 1-10 and if they want to share why	Sign In Sheet Pen
2.5 mins	RECAP GROUND RULES <i>If relevant or set ones for this session if</i> <i>necessary</i>	 Explain to the group, people need to feel safe in order to share their views and experiences. Remind them of the rules we agreed previously: Respect other people Listen to what other people are saying What people say, stays in the group (unless they or anyone else is at risk) The more you put in, the more you take out! Plus any additions from previous sessions if applicable 	PowerPoint Ground rules pre- prepared and written up on a flipchart Pen

	ICEBREAKER ALL THE THINGS I AM GOOD AT— THE RACE IS ON!	 Handout a number of squares from the toilet paper, still joined together and a pen. Tell the group that at your mark, they will need to write down something they are good at on a square of the toilet paper. Explain it is a race to complete as many as possible in the set time. Perhaps give the group some examples and a short time to think ahead before starting the game. Play the game. After the game, go through with the group what each person wrote and ask if there are other things they could have added, perhaps for next time. Also look for connections. 	INTRODUCTION to Elastic Band 'RESILIENCE'	Give everyone in the group a coloured elastic band. Ask them to tug it, not too much and then to let go. What happens? They should see that it stretches but goes back to original shape. Remember to collect the elastic bands back in!	Coloured elastic bands
5 mins	DISCUSSION & ACTIVITY WHAT IS RESILIENCE?	Ask the group what they think RESILIENCE is? In x2 groups, ask them to write their ideas on the handout. Ask them to feedback to the group and write what they say up on a flipchart. Discuss what young people have suggested. Read out to the group: RESILIENCE is the ability to bounce back from difficult situations and to see problems as opportunities for learning and growth.
