
DON'T LEAVE YOURSELF EXPOSED

BEFORE YOU SHARE A NUDE OR EXPLICIT IMAGE, ASK YOURSELF...

Is this legal? It's illegal to create, share, or possess explicit images when you are under 18.

Could it be shared with others, even people I don't know?

Do I trust the person asking? And do I feel safe to say no?

WHAT IF IT'S HAPPENED? YOU ARE NOT ALONE!

HELP IS AVAILABLE

Visit: www.moodspark.org.uk/keepitprivate for guidance on what to do if you've shared an image, how to stay safe, and where to get confidential support.
